Brian Morehead, City Engineer – This is a request from the land bank that came in. They’ve requested to vacate these alleys. They own the surrounding property. The eventual goal is to combine all the lots there with the vacated alleys. Then sell it to another entity.

Mr. Houser- And none of the surrounding owners have access issues or anything with that?

Mr. Morehead – No.

Mr. Houser – Any questions from the committee?

Mr. Marmie – Fire give blessing, ok? No access issues for fire?

Mr. Morehead – Yup.
