We Wish to Report:

1. **Resolution No. 19-59** appropriating monies for the current expenses of the municipal corporation was considered.

Section 1. There is hereby a disappropriation of the appropriated balance of the 100 General Fund, in the amount of \$1000.00 (PTSD Training Donation)

Account	Description	Amount
100.204.5220	Training	\$1000.00

Chief Connor- we had a donation on behalf of Pat Guanciale to the Fire Department to do anything that we wanted to do with that money. We have made a decision to use that money for post-traumatic stress education for our members. Many of you may not know but we have a peer support team that we have formed in the Newark Fire Department and one of our members is serving at a State level now helping out with the crisis with post-traumatic stress and first responders. It is expensive to get this training and we hope that our Fire Department will be one of the leaders dealing with post-traumatic stress recognition within our own department.

Motion by Mr. Cost to send to full Council, second by Mr. Bubb
Motion passed by a vote of 5-0.

Doug Marmie, Chair
