

Capital Improvements Minutes

Honorable Council
City of Newark, Ohio
APRIL 19, 2021

The Capital Improvement Committee met on YouTube streaming via Zoom on Monday, April 19, 2021 following the Service Committee with these members present:

Jonathan Lang - Chair
Dee Hall – Vice Chair
Jeff Rath
Mark Labutis
Sean Fennell

We wish to Report:

1. Consider **Resolution No. 21-29** APPROPRIATING MONIES FOR THE CURRENT EXPENSES OF THE MUNICIPAL CORPORATION

Section 1. There is hereby an appropriation of the unappropriated balance of the 335 Capital Improvements Fund, in the amount of \$24,640.00 (Monies Left over from 2020 closed P.O.)

335.121.5271	Maintenance Buildings & Grounds	24,640.00
--------------	---------------------------------------	-----------

Director Rhodes – This is a P.O. that was closed out of 2020 Capital Improvements and I would like to re-appropriate those dollars. We have a project going on where we're clearing back brush from the highway and replacing fencing. We also have some old light poles in the downtown area that we are going to split the cost on with the Special Improvements District. We're going to have them scraped and primed and painted and look at the heads that are actually holding water and we would use those funds for those types of things.

Motion to send to full council by Mr. Rath, second by Mr. Labutis, motion passed 5-0

Capital Improvements stands adjourned

Jonathan Lang, Chair
