

Capital Improvements Minutes

Honorable Council
City of Newark, Ohio
July 2, 2019

The Capital Improvement Committee met in Council Chambers on Monday July 1, 2019 following the Finance Committee with these members present:

Jonathan Lang
Dee Hall
Jeff Rath
Mark Labutis
Sean Fennell

We wish to Report:

1. **Resolution No. 19-53** appropriating monies for the current expenses of the municipal corporation was considered.

Section 1. There is hereby an appropriation of the unappropriated balance of the 335 Capital Improvement Fund, in the amount of \$29,000.00 (Spot work general bldg. maintenance)

Account	Description	Amount
335.121.5271	Bldg Maintenance Grounds	\$29,000.00

Director Rhodes- about this time each year I come before this committee and I ask to transfer the remaining capital improvement dollars into the building grounds maintenance account. The reason that I do that is that way it is already appropriated. I have no intended use for these dollars at this point and if I don't use them they just roll back into the general fund at the end of the year but I like to have them available in case an air conditioner goes out or there is a roof leak so it is more backup money.

Motion Mr. Labutis to send to full Council, second by Mr. Rath

Motion passed by a vote of 5-0.

Jonathan Lang, Chair
