We wish to Report:

1. **Resolution No. 17-65** appropriating monies for the current expenses of the municipal corporation was considered.

Section 1. There is hereby an appropriation of the unappropriated balance of the 335, Capital Improvement Fund, in the amount of \$2,996.45 (City Building Projects)

| Account | Description | Amount |
|--------------|------------------------|------------|
| 335.124.5271 | Bldg & Ground Maint | \$2,996.45 |

Director Rhodes-this is a re-appropriation of an open PO from 2016 where I didn't spend the money and I just want to make it available for 2017.

Motion by Mr. Fraizer to send to full Council, second by Mr. Rath

Mr. Fraizer- is there any plans for this money?

Director Rhodes- no not really, we are just trying to close out 2016 PO's and at the end of the year we will probably come and unappropriate a couple of things.

Motion passed by a vote of 5-0.

Jonathan Lang, Chair
