The Capital Improvement Committee met in Council Chambers on Monday, May 26, 2015 following the Service Committee with these members present:

Dee Hall, Chair                      Bill Cost Jr.  
Jeff Rath                              Alex Rolletta  
Ryan Bubb for Curtis Johnson

We wish to Report:

1. Resolution No. 15-51 appropriating monies for the current expenses of the municipal corporation was considered.

Section 1. A request an appropriation of the unappropriated balance of the 335, Capital Improvement Fund, in the amount of \$10,000.00 (Tree removal & fencing repairs on City owned property)

Account	Description	Amount
335.122.5502	Land Improvements	\$10,000.00

**Director Rhodes-** as years past I have been in front of this committee to ask for \$10,000.00 for fence repair and tree removal and you have been kind enough in the past to give it to us to repair city fences and remove trees and stumps.

**Motion by Mr. Bubb to send to full Council, second by Mr. Rath**

**Mr. Cost-** do you have a specific list?

**Director Rhodes-** no we generally work with the Engineer's office and Mr. Prince at the Street/Traffic Department. As the need arises we take care of them. If you notice along the highway we have done a considerable amount of cleaning out and then we look at the fences that are damaged or leaning and make the necessary repairs. This is work we have done ourselves not something that we have hired out.

**Motion passed by a vote of 5-0.**

**Chair, Dee Hall**
