

Service Committee Minutes

Honorable Council
City of Newark, Ohio
October 4, 2021

The Service Committee met in Council Chambers on Monday, October 4, 2021 , following the Finance Committee with these members in attendance:

Jeff Harris – Vice Chair
Spencer Barker
Jeremy Blake
Ryan Bubb
Doug Marmie – Sitting in for Jeff Rath

We wish to report:

1. Consider **Resolution No. 21-64** A RESOLUTION AUTHORIZING AND DIRECTING THE DIRECTOR OF PUBLIC SERVICE TO NEGOTIATE AND ENTER INTO CONTRACT FOR THE PROVISION OF NECESSARY SERVICES REGARDING THE COMPOSTING, RECYCLING AND DISPOSAL OF LEAVES, BRUSH, GRASS, TREES AND STUMPS WITHOUT COMPETITIVE BIDDING

David Rhodes, Service Director – This is just a resolution authorizing me to negotiate and enter into services with ELMS Disposal for disposal of brush, grass, trees, stumps without competitive bidding. For the most part they allow us to dump there, sometimes there is a small charge. I didn't have an opportunity to thoroughly review the contract, that's the best I can recollect, I'll look at that again. I need your permission to just begin to look at it and negotiate it again. I don't anticipate any major changes.

Motion to send to full council by Mr. Bubb, second by Mr. Barker

Water Administrator, Roger Loomis – I don't know if you all know her, but Lindsey Brighton, our Storm Water Coordinator, is here to answer any questions you might have.

Mr. Marmie – Okay, I have a 10 part question for Lindsey, we'll break her in right!

Motion passed 5-0

Meeting stands adjourned

Jeff Harris - Vice-Chair
