There was a meeting of the Service Committee in Council Chambers on Monday July 27, 2015 after Finance Committee with these members present:

Bill Cost Jr.
Jeff Rath
Jeremy Blake

Ryan Bubb
Alex Rolletta

We wish to Report:

1. **Resolution No. 15-70** a resolution of intent to appropriate the real estate known as parcel # 054-280590-00.000, Newark, Licking County, for maintaining and improving Mt. Vernon Road within the City of Newark, Ohio; authorizing the Mayor to give notice to the owner of such lands as required by law; and declaring an emergency was considered.

Director Rhodes- this is the property that the City of Newark removed the house on a couple of years ago for the Mt. Vernon Rd project and bridge widening. We have not been able to come to terms with the property owner with regard to the dollar amount for the remaining property there that is .171 of an acre so we are going to make a resolution of intent to appropriate the real estate. We have the right to take the property and the owner will be paid a fair appraisal amount. The money comes from Federal funding and 20% from capital improvement dollars.

Motion by Mr. Bubb to send to full Council, second Mr. Rath

Mr. Cost- are we asking for an emergency because of a deadline?

Director Rhodes- yes

Motion passed by a vote of 5-0.

Bill Cost, Jr- Chair
