We wish to Report:

1. **Resolution No. 15-91** authorizing and directing the Director of Public Service to accept bids and sell certain surplus personal property now owned by the City of Newark, Ohio, and declaring that such property is no longer needed for any municipal purpose and declaring an emergency was considered.

Director Rhodes- we are going to schedule another auction at the Service Complex. The auction is scheduled for November 14th. We currently have 105 cars for sale as well as bicycles, office furniture and other items from City Departments. The reason the emergency is on there is because of advertising and notices that we have to give to the public.

Motion Mr. Bubb to send to full Council, second by Mr. Rolletta

Motion passed by a vote of 5-0.

2. **Ordinance 15-30** an ordinance authorizing and directing the Newark City Safety Director to certify to the Licking County Auditor, the sum of \$42,802.74 incurred by the Newark City Property Maintenance Division with respect to property maintenance violations to be placed as a lien upon certain parcels of real property situated in the City of Newark, Ohio was considered.

Joe Paul, Property Maintenance Code Official- this is the same document that you folks see a couple of times a year from us. It is just asking your permission to lien outstanding fees and fines from Property Maintenance.

Motion by Mr. Rath to send to full Council, second by Mr. Bubb

Motion passed by a vote of 5-0.
