

Street Committee Minutes

Honorable Council
City of Newark, Ohio
February 14, 2017

There was a meeting of the Street Committee in Council Chambers on Monday February 13, 2017 after Finance Committee with these members present:

Carol Floyd	Jeff Rath
Dee Hall	Alex Rolletta
Jeremy Blake	Curtis Johnson
Mr. Bubb for Doug Marmie	

We Wish to Report:

1. **Ordinance No.17-07** vacating a future street right-of-way as shown on the plat of the Village of Deer Run phase 1 subdivision, as recorded in plat book 14, page 218-219 of the Licking County plat records; said right-of-way is located between 1407 and 1427 Misty Glen Drive was considered.

Brian Morehead- we got a request from one of the adjacent property owners there to vacate the right of way and all of the adjacent property owners signed the petition in favor of vacating the right of way. Misty Glen Drive when it was originally developed in Phase I of Deer Run subdivision it had a street stub platted going to the south. Consequently the third phase of Deer Run has basically blocked that street right of way. There is no chance that the street would ever be extended to connect the two without buying someone's house from them and taking that. It was approved by Planning Commission back in 2004 to replat that and get rid of that but for some reason or another plat was never recorded. I believe there are some real estate transfers happening out there so we would like to clean it up.

Motion by Mr. Bubb to send to full Council, second by Mr. Johnson

Mr. Rath- I assume that the signature of the property owner on the dead end side of this has her signature on the petition.

Brian Morehead- exactly

Motion passed by a vote of 7-0.

Carol Floyd, Chair
