We wish to report:

1. Director Rhodes presented Ordinance 12-33 extending the authority of the Temporary Board of Zoning District Revision.

Director Rhodes- explained that they are proposing to extend the Temporary Board of Zoning by two years. This board was originally set up at the completion of the new Zoning Code and new Zoning Map. The reason that this board was set up was for people who were unaware of their zoning change and could be harmed. These individuals then come to a Board meeting and the Board has an opportunity to change the zoning of the individual's property to a category that best suits as they see fit.

Motion by Shirley Stare, second by Mr. Rath to carry to Council

Director Rhodes- stated that council member Mrs. Floyd sits on the committee, therefore council is represented.

Mr. Greene- inquired as to who is on this Board.

Director Rhodes- Steve Schaller, Steve Layman, Bruce Ennen, Gary Babcock.

Motion passed by a vote of 5-0.
