Ways & Means Committee Minutes
Honorable Council
City of Newark, Ohio
September 5, 2019

The Ways and Means Committee met Tuesday September 3, 2019 in Council Chambers following the Service Committee with these members in attendance:

Dee Hall, Chair
Mark Labutis
Ryan Bubb

We wish to report:

1. **Resolution No. 19-67** a resolution repealing Resolution 19-33 and amending the distribution and use of net emergency medical transport revenue was considered.

Director Rhodes- earlier this year as you know Director Baum and I were in and changed the EMS model to help fund and pay for the new fire station and at that time we thought that was a good effective date but through all the consideration towards the fire station that has been given, through all of the time and plans we simply haven't started the station yet. So instead of having the Auditor's office move a bunch of money into an account that is already full to make payments for the new fire station we would like to make the effective date January 1, 2020. That is the only change.

Motion by Mr. Bubb to send to full Council, second by Mr. Labutis

Mr. Labutis- this doesn't change how it is distributed just the date?

Director Rhodes- no, just the effective date. We will be able to appropriately plan for this in the 2020 budget.

Ms. Hall- this doesn't change the percentages

Director Rhodes- no

Motion passed by a vote of 3-0.

Dee Hall, Chair
