David Rhodes, Service Director - Thank you, Mr. Chair. Again, this amount we were able to put the capital stack together with the help of the Finance Committee, and this will go a long way in helping build that final cash that we need to build our new tower. So, we're asking that you appropriate these dollars and put it into a PO and keep going.

Motion to send to full council by Mr. Rath, Second by Mr. Labutis, Motion passed 5-0.

Capital Improvements stands adjourned
