

## Service Committee Minutes

Honorable Council  
City of Newark, Ohio  
August 20, 2019

The Service Committee met in Council Chambers on Monday August 19, 2019 following the Finance Committee with these members in attendance:

Jeff Rath, Chair  
Bill Cost Jr  
Jonathan Lang  
Sean Fennell for Jeremy Blake  
Ryan Bubb

We wish to report:

1. **Resolution No. 19-60** authorizing the Director of Public Service to prepare and submit applications to participate in the Ohio Public Works Commission State Capital Improvements Program and to execute contracts as required was considered.

**Nick Schultz, Street and Traffic Engineer-** this is for the OPWC application we apply for funds each October and this year we would be applying for funds for a roundabout at Country Club and Sharon Valley Rd. We would design that in house and probably start that the following summer.

**Motion by Mr. Bubb to send to full Council, second by Mr. Lang**

**Motion passed by a vote of 5-0.**

2. **Resolution No. 19-61** a resolution of consent authorizing the Service Director of the City of Newark Ohio to enter into contract with the Ohio Department of Transportation for replacement of guardrail end treatments on the national highway systems routes through Newark, ST RT 16, ST RT 79 AND ST RT 13 was considered.

**Nick Schultz-** ODOT has found that certain turn down and guardrail treatment to be on crash worthy anymore and we have several of those on these particular routes and they have offered to replace them all for us with the new standard at no cost to us. It will be the end treatments where the guardrail begins and ends.

**Motion by Mr. Cost to send on to full Council, second by Mr. Bubb**

**Motion passed by a vote of 5-0.**

Jeff Rath, Chair
